

Testimonials for Dr. Felix Toran

"I have had the pleasure of assisting several times to the enlightening experience of listening to Felix when he speaks about his books. Sharing some moments with him, profiting from his great experience has always been a great learning experience. I can only suggest to every interested person to look into the newspaper and search for the next presentation by Felix, assisting to it will be help you grow personally and professionally."

- Dr. Ernesto Neumann Vice President for Latin America Merck

"I had recently the opportunity of attending a conference by Dr. Félix Torán and he really surprised me in the best sense. Speaking a clever although a very accessible discourse, he was able to make easy what seemed so complicated or even impossible before hearing him. If you have the chance, attend one of his conferences."

- José María Martín. CEO. Alfaomega International Publishing Group (Spain)

"Dr. Felix Toran, is an excellent speaker and motivator. He is a true professional in his field of engineering and an expert in teaching the law of attraction. Dr. Felix Toran's admirable talents helped us in motivating our staff by providing everyday tools to incorporate in our daily lives and business. Thank you!"

-Marvin Vasquez CEO Vasz Books (New York)

"The call to action of Dr Torán, gave me a new vision of THE LAW OF ATTRACTION, thanks to his approach (no esoteric, tangible, and clear). Dr. Toran has the ability to connect with the public in a close, sincere way, transmitting knowledge in a clear, practical, personal growth oriented, transparent, way. And many more positive adjectives comes to my mind talking about him. Share his vision, gives you a new perspective that can transform your life as mine did!"
