I would like to enthusiastically recommend Marjorie Geiser, MBA, RD, NSCA-CPT as a speaker. I was first introduced to Marjorie while researching guest presenters for our local dietetic group. I served as volunteer chairman of the "Trends in Nutrition" seminar for the San Jose Peninsula District Dietetic Association and she came highly recommended from a presentation at our state wide conference. Her enthusiasm and energy impressed me immediately.

Marjorie was very professional in handling the details of her speaking engagement. She was prompt to return phone calls and emails. She handled all the details of her trip to Northern California and kept me apprised of her agenda and travel arrangements. Upon meeting her, she was as sincere and enthusiastic as she had been on the phone.

Her presentation for our group was titled "Three Steps to Clarity for the Business of your Dreams" and was very well received by our audience. Upon evaluation Ms. Geiser received 4.53 points out of a possible 5.00. Many in the audience commented they enjoyed her style of presenting and her ability to engage the listeners.

Ms. Geiser completed her contract with us and billed us in a timely manner with all the necessary documentation. She demonstrated her professional in her presentation as well as the handling of the business details.

Sincerely,

Marjorie Geiser, MBA, RD, NSCA-CPT is an outstanding speaker and workshop facilitator.

Last Spring, Ms. Geiser spoke at the 2009 CA Dietetic Association Annual Meeting, Pre-Conference workshop. As part of the team that presented that evening, Ms. Geiser provided a vital component of the **Reimbursement Matters: Jump Start the Journey** session. She spoke first and set the stage for the other speakers that followed. Marjorie was motivating, informative and entertaining! Ms. Geiser has

spoken at this meeting in past years and we will have her back again in the future. Each time she speaks she brings new ideas and delivers her message such that all in attendance gain something of value.

We would highly recommend Marjorie Geiser as a speaker and workshop facilitator.

I am writing to recommend my colleague, Marjorie Geiser, MBA, RD, NSCA-CPT, as an informational and engaging speaker. I recruited Marjorie to conduct a 1½ hr presentation with Michele Macedonio, MS, RD, CSSD, on "Marketing Yourself in Sports Dietetics" for the *Sports Dietetics Workshop: Nutrition and Athletic Performance* sponsored by the Sports, Cardiovascular, and Wellness Nutrition dietetic practice group of the American Dietetic Association on October 15, 2009. Marjorie and Michele worked on the presentation over several months and delivered an excellent presentation that engaged the audience and included several activities for attendees. The presentation was rated highly by attendees as documented in their evaluations. Marjorie is a very knowledgeable, competent, and appealing speaker and I am confident in recommending her.

Sincerely,

Patti Steinmuller
