3 Easy Steps to Reach Success Sooner!

Here's a **powerful keynote** presentation that gives your audience **proven techniques** to find quick success – in both business and personal life. This presentation will have your audience inspired, empowered, motivated and laughing.

Rick Wemmers is a business development expert. He has over 25 years of success with clients in over 50 different industries, from Fortune 50 to start-ups. He has learned which actions work and which don't to achieve quick success at work or in personal careers. Rick shares his proven ideas and success tools through a comfortable dialogue so your audience can capture and put them to work the very next day in **their** lives. No fluff or theory - just real world experiences.

Rick's energetic keynote will provide your audience with answers to these key success questions:

- #1. How do I get the information I NEED to know but don't REALLY know -- to achieve quicker success?
 - Humans avoid giving negative feedback directly.
 - The right communications insure achievement of your success goals.
- #2. How do I find the best path to achieve my dream goals?
 - Most of us pursue too many paths.
 - Hunt with a rifle NOT a shotgun.
 - Focusing on the right path.
- #3. How can I persuade others to help me achieve success sooner?
 - Simple actions reap great rewards.
 - Learn how to use the power of leverage.

Your audience will feel more positive – immediately!
